## PalC Showcasing at the Taiwan India Expo 2024

From July 8 to July 10, our team showcased **PalC Networks at the prestigious Taiwan India Expo 2024** at Pragati Maidan, Delhi. The Expo was an excellent platform to forge business bonds between Taiwanese and Indian industry leaders. This event underscored Taiwan's prowess in five key themes: Smart Manufacturing, Smart City, Smart Lifestyle, Wellness Fiesta, and Green Innovations. Attendees explored Taiwan's advancements from automation to eco-friendly solutions, enhancing efficiency, connectivity, quality of life, health, and sustainability.

## Strengthening Our Network with ODMs and ASIC Vendors

At PalC Networks, collaboration is key. We're continuously expanding our partnerships with Original Design Manufacturers (ODMs) and Application-Specific Integrated Circuit (ASIC) vendors. These collaborations are essential in delivering high-performance, customized networking solutions that meet the unique needs of our clients. Together, we're pushing the boundaries of what's possible in networking technology.
